Jolie Carpenter Berry

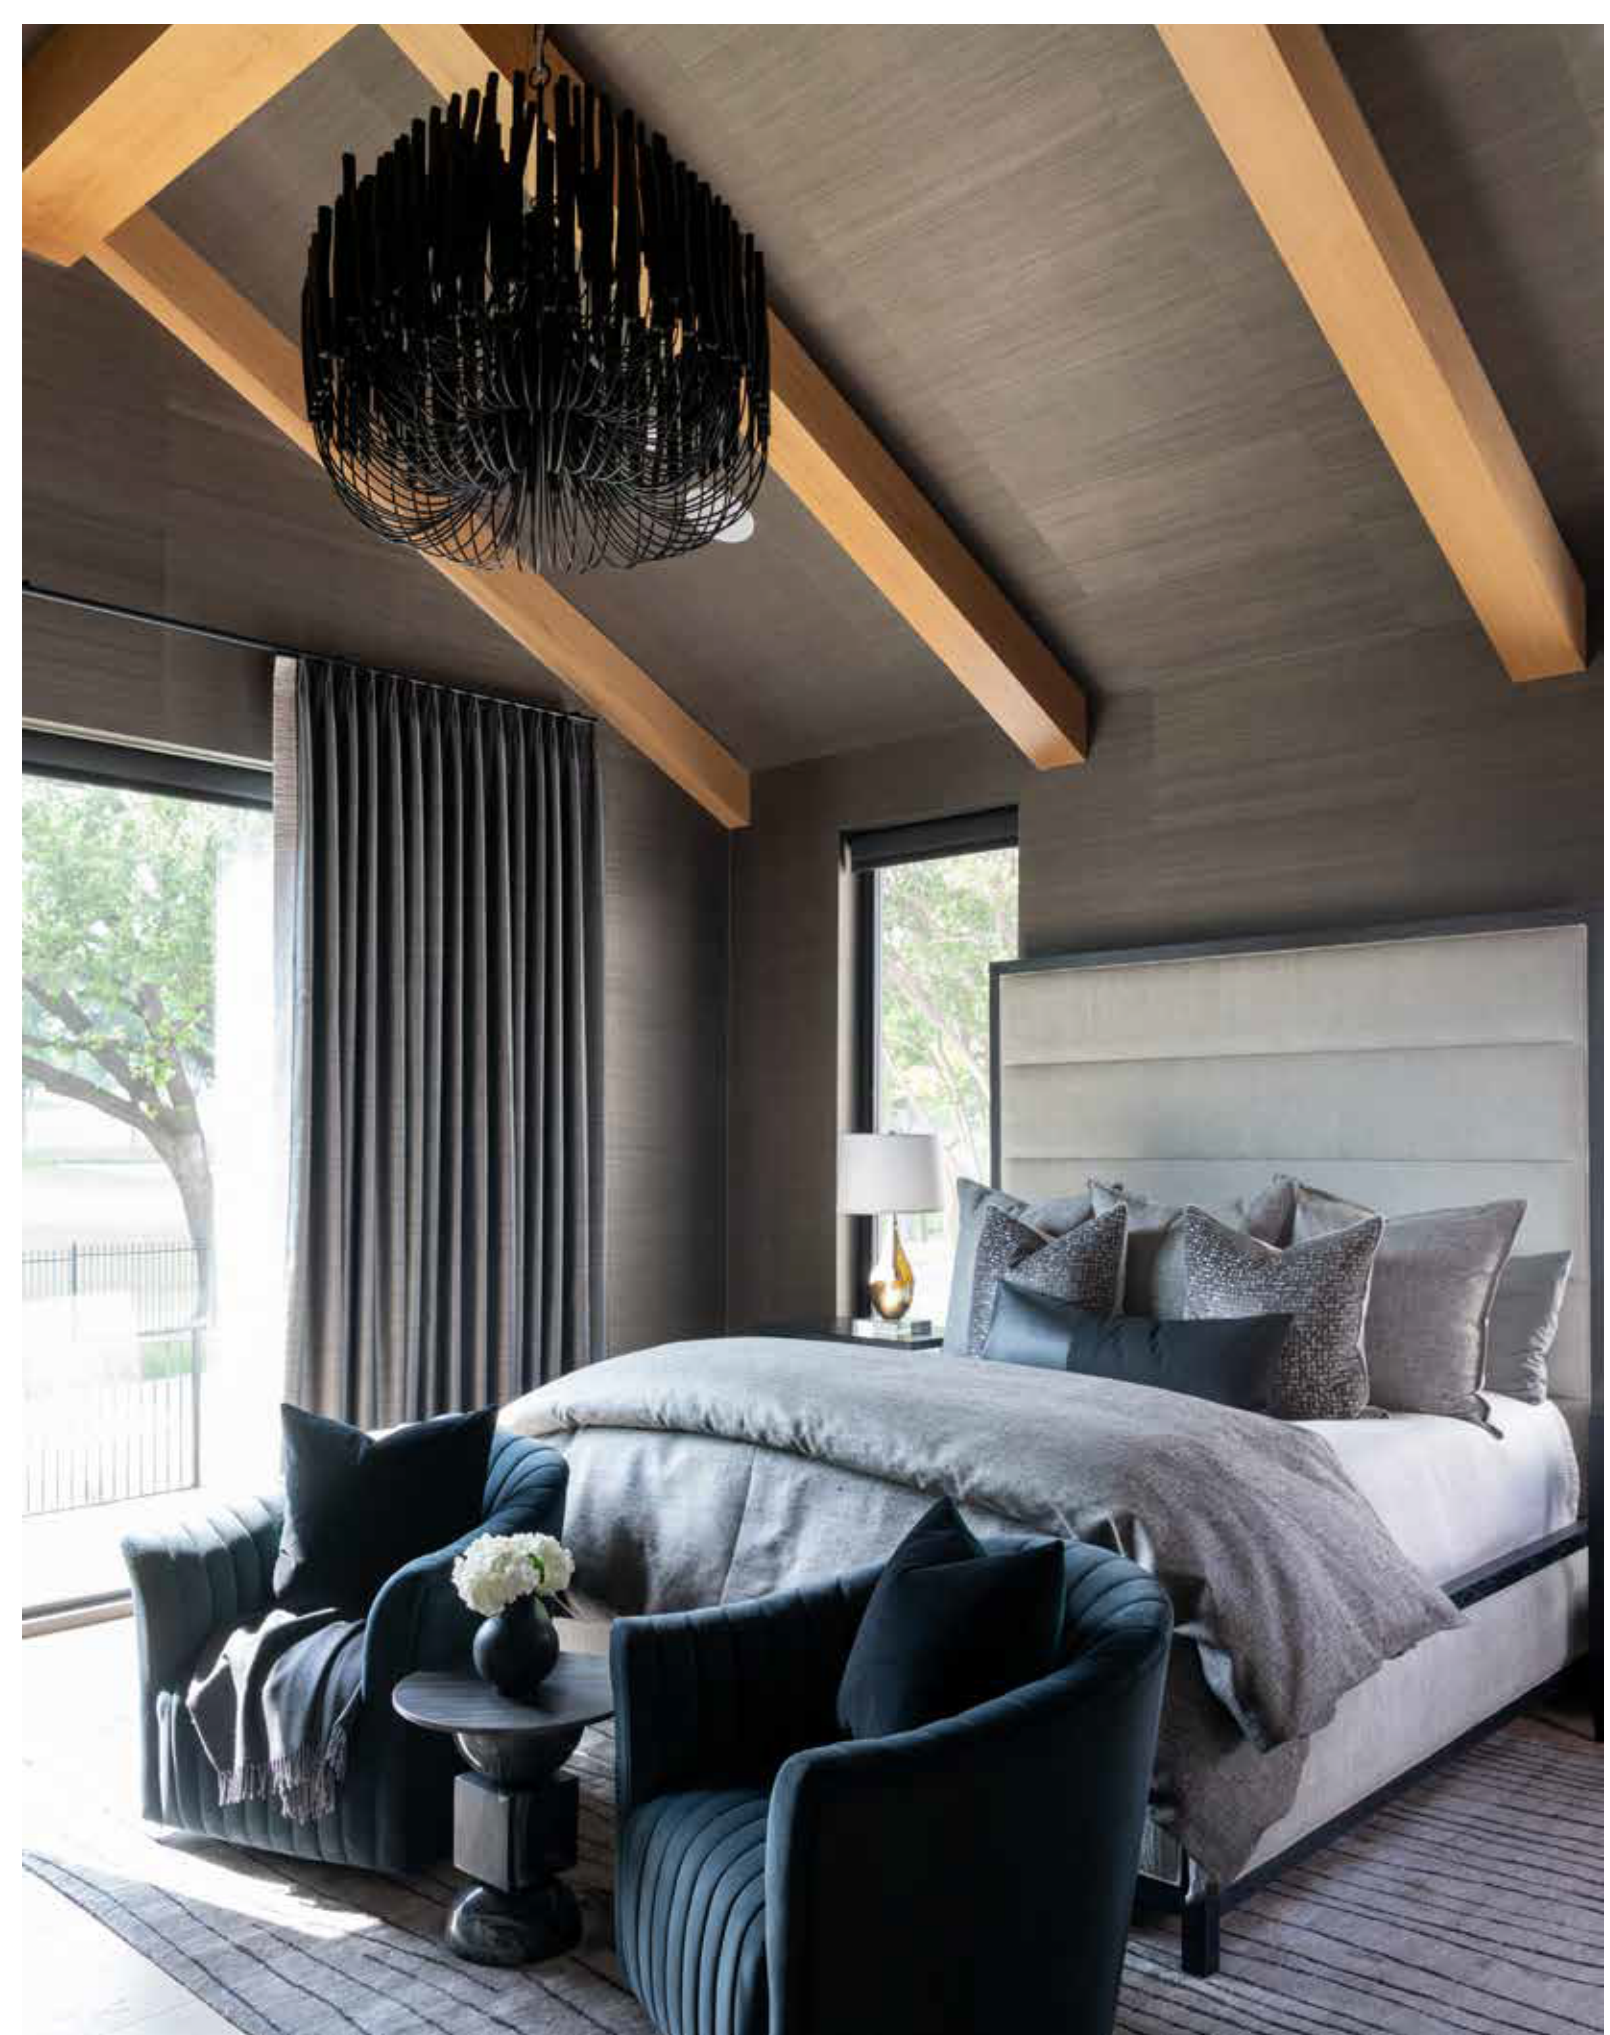

Top left: This spacious, naturally lit kitchen features wood detailing and accents of black and gold.

Top right: With splashes of color, this exterior living room blends modern flair with fun.

Bottom: Tall windows, brass touches, and a painted mural on the ceiling give this contemporary dining room visual interest.

Facing page: This moody primary suite is adorned with a dark grass cloth wallcovering and oak beams on a vaulted ceiling. Deep hues and plush textures create an inviting experience.

"We bring creativity and passion to every project, taking pride in creating beautiful, functional spaces that our clients love." - Lisa Patton and Liz Dauwe

Above left: At the bar wall of this kitchen dining space is a classic marble backsplash that blends light colors with rust and green to create a modern Mediterranean feel.

Above right: Blending traditional furniture pieces with contemporary artwork, this living room proves you can have fun mixing elements and styles.

Facing page top left: Classic and elegant, this dining room features a large arched window and a live-edge oak table. The neutral palette is accented by pops of vibrant green to add contrast.

Facing page top right: With no detail left unturned, this bathroom showcases a black-and-white wallpaper, an emerald vanity with elephant hardware, and a marble countertop with a beautiful, silver-finish sink basin. The bathroom connects to a hallway lined with Life magazines from the client's personal collection.

Facing page bottom left: This little girl's bathroom blooms with purples and lilac. It's designed to stand the test of time, satisfying both the young and the mature.

Facing page bottom right: Soft blues create a soothing environment in this primary suite. Acrylic chairs with velvet upholstery, grass cloth nightstands, brass accents, a burl wood bench, and a stunning Turkish rug add sophisticated femininity.
